## Gentag News

- ***Wireless Diagnostic Skin Patch Patent Announced By GENTAG***  
[August 22, 2011](#)
- ***First Cell Phone Based Post-Operative Orthopedics Surgery Monitoring Kit Announced By GENTAG, Inc. And The CORE Institute***  
[May 17, 2011](#)
- ***GENTAG Demonstrates its Technologies at WIMA with NXP***  
[April 19-21, 2011](#)
- ***GENTAG Announces Low-Cost NFC/RFID Phone***  
[February 9, 2011](#)
- ***Cell Phones Are Now Personal Diagnostic Tools That Can Monitor Fertility, Pathogens, AIDS, Drugs, and Allergens***  
[December 15, 2010](#)
- ***New NXP Chip Compatibility Puts GENTAG at Center of Next Generation of Cell Phones***  
[July 1, 2010](#)
- ***Post Surgery Wireless Skin Patch License Agreement Signed***  
[February 2, 2010](#) 
- ***GENTAG's Technology Demonstrated at the China International Medical Equipment Fair in Shenzhen, China***  
[April 8, 2009](#) 
- ***GENTAG Issued Patent for Screening of Shipping Boxes, Containers, Trains or Aircraft for Chemical, Biological or Radiological Threats***  
[February 18, 2009](#) 

- ***GENTAG Cited as an Emerging RF Leader***  
[December 2008](#)
- ***GENTAG, Inc. and BrightCard, Inc. Sign Distribution Agreement***  
[December 16, 2008](#) 
- ***Technology Tide Turning in GENTAG's Favor***  
[November 11, 2008](#)
- ***GENTAG's Wireless Smart Skin Patch Technology Demonstrated at Medica 2008 in Germany***  
[November 10, 2008](#) 
- ***GENTAG Introduces GT-800: Homeland Security Phone***  
[October 15, 2008](#) 
- ***GENTAG's Diabetes Technology Featured in RFID Journal***  
[September 30, 2008](#)
- ***GENTAG Featured in Newsweek***  
[September 27, 2008](#)
- ***Emerging Wireless Sensor Network Platform Technology Successfully Piloted, Available for Licensing***  
[September 15, 2008](#) 
- ***GENTAG Presents at the MIT Enterprise Forum***  
[September 15, 2008](#)
- ***GENTAG Featured in Newsweek***  
[August 23, 2008](#)
- ***Georgetown University Teams with GENTAG and SAIC to Develop New Glucose Sensor Technology with Wireless Connection to Cell Phones***  
[June 18, 2008](#)

- ***GENTAG and MacroArray Technologies Join Forces***

[June 9, 2008](#) 

- ***GENTAG Presents at the Future Trends Forum of the Fundacion de la Innovacion Bankinter in Madrid, Spain***

[June 6, 2008](#)

- ***Business Week Cites GENTAG in iPhone/RFID story***

[April 30, 2008](#)

- ***GENTAG Receives the Prestigious 2008 Technology Innovation Award from Frost & Sullivan***

[April 3, 2008](#) 

- ***Patent Covering Diagnostic Applications Using Cell Phones Approved In Korea***

[January 28, 2008](#) 

- ***GENTAG Enters Manufacturing Agreement for Smart Skin Patches***

[November 5, 2007](#) 

- ***GENTAG Presents at the MIT Enterprise Forum***

[September 18, 2007](#)

- ***GENTAG to Commercialize Super RFID Technology: Article in RFID Journal***

[September 12, 2007](#) 

- ***New Chip Promises to Track Kids from Miles Away***

[September 6, 2007](#) 

- ***Wide Area Geolocation Technology Acquired by GENTAG***

[September 6, 2007](#) 

- ***GENTAG Featured in Congressional Quarterly***

[June 2007](#)

- ***GENTAG Partners with eV PRODUCTS To Create Personal Environmental Threat Detectors on Cell Phones and PDAs***

[May 30, 2007](#) 

- ***GENTAG Signs Agreement with The CORE Institute to Jointly Develop RFID Diagnostic Sensors***

[May 16, 2007](#) 

- ***Button Sensor for Counterfeit-Prevention and Pharmaceutical Markets Launched***

[March 2007](#) 

- ***GENTAG's patent approved: "[Radio Frequency Identification \(RFID\) Based Sensor Networks](#)"***

[December 12, 2006](#) 

- ***GENTAG featured in RFID Journal***

[December 2006](#)

- ***GENTAG's patent approved: "Methods and Apparatus for Wide Area Surveillance of a Terrorist or Personal Threat"***

[September 2006](#) 

- ***GENTAG's One-Point-Calibration Integrated Temperature Sensor***

[July 2006](#) 

- ***GENTAG Patent For Using Cell Phones as RFID Sensor Readers Will Benefit Consumers***

[February 2006](#) 

- ***RFIDNews interviews GENTAG president and founder, John Peeters***

[April 2005](#)

- ***State of Maryland awards GENTAG seed funding***

[December 2004](#)
